Dear Parents

Weekly Parent Letter

Due to the reduction in budgets and rising costs in school we have decided that paper copies of the parent letter will only be given to those who require one due to no access to the internet and the school website, where the parent letter is posted every Wednesday. A paper copy is also available to read on the parent noticeboard outside reception.

Please return the slip below to inform us of your preferred method of receiving the weekly parent letter.

If you do not return the slip below we will assume you are happy to read the parent letter on the school website.

Thank you for your cooperation.

Yours sincerely

Jane Whitehouse-Sharpe
Head Teacher
