27th April 2017

Dear parents,

RE: Spiritual Garden

We would like to thank all parents and carers who supported the class fund raising activities to help fund the Spiritual Garden. We are thrilled to announce that the children raised over £700 towards the project – a fantastic effort by all!

We have also had donations given to the school for this project from outside charities and businesses. All of these donations have been kindly donated for this project - specifically for this purpose – therefore the money being spent on the Spiritual Garden will not come from the school budget. The School Governing Board and I felt it was important that everyone was clear about the funding arrangements, particularly due to the tightening of our school funding and budget.

If you haven't looked at the plans for the Spiritual Garden, please have a look at the drawings in the school atrium. We will be letting everyone know how they can get involved in developing the garden as it progresses and look forward to the children seeing how their fund raising efforts will be spent.

Yours sincerely,

Mrs J. Whitehouse-Sharpe
